

“We Eat Termites For Lunch”

*****PLANT RELEASE FORM*****

RELEASE OF LIABILITY AND DISCLAIMER

The property located at _____, is scheduled for fumigation
by the fumigation company i.e. _____ on _____.

- During the fumigation process it is necessary to place equipment around foundation of the structure. Although utmost care will be exercised, there will/may be damage to living plants, trees or landscaping at /adjacent to the subject property.
- Certain plant growth will become damaged or die in the process of the fumigation due to plant growth location (s) that cannot be excluded from the fumigated air space. We will take all available options to avoid plant damage during the fumigation. However, we cannot assume responsibility for any damages to the plant growth as a result of the fumigation process.
- The fumigation company, will not assume any liability or responsibility for such damage or consequential damage that will/may occur during fumigation on the property.
